

DECLARATION OF RESPONSABILITY

We are committed to provide the best quality of education and the academic objectives established for this academic year 2020-21. This edition may be subject to adjustments in terms of the schedule, teaching methodology (digital, in-class, remote or hybrid) and/or evaluation system (digital, in-class, remote or hybrid).

Given the exceptional global circumstances, we will follow the regulations and guidelines of the health and education authorities of Catalonia and the Spanish Government, guaranteeing the safety of all our students, professors, and staff.

In order to assure the safety and wellbeing of our BTS community, we invite you to follow the hygienic measures and safety protocol listed below:

- At the entrance to the facility, temperature control is being performed using a non-contact system.
 - In case of exceeding 37.7 degrees Celsius, the test will be performed again after 5 minutes.
 - In case of continuing to exceed this temperature, that person will not be able to access the facility.
- Students, during your stay at BTS and its facilities, the use of a mask is mandatory (classrooms, common area, lab, entrance, kitchenette, bathrooms, elevators, etc). and is mandatory to keep the social health distance of 1,5 meters from the students and the teachers.
- Teachers, during your stay at BTS and its facilities, the use of a mask is mandatory (common area, lab, entrance, kitchenette, bathrooms, elevators, etc), in the classroom the use of mask is recommended, and is mandatory to keep the social health distance of 1,5 meters from the students.
- Respect all the security signs and measures inside and surrounding of the facility.
- Avoid social customs that facilitate the transmission of diseases from person to person (such as handshake, hugs, kisses, etc.).
- It is recommended to frequently wash hands with soap and water.
- When in need to cough or sneeze, use a disposable tissue.
 - In the absence of one, it is better to cover the mouth with the flexed elbow rather than with the hand.
- Professors are advised to use individual technical work material in the classrooms: equipment and its tools, as well as writing material.
